Phase A: Timed Pace

Approximately 2 to 4 kilometers with exact given time.

One-half second assessed for each second over or under time allowed.

Time allowed is stated per division.

Phase B: Dressage test

ADS Preliminary Test A

Phase C: Timed Pace

Judged the same as Phase A.

Phase D: Multiple Choice Cones

Each successfully completed cone receives positive score of two points.

Time limit of 90 seconds

Final score calculated by subtracting the penalty points of Phases A, B and C from Phase D positive points
